St. Clair County Health Department Offering Extended Hours on Wednesdays Walk-in Services Also Available for Immunizations

Two St. Clair County Health Department programs will be offering extended hours every **Wednesday** starting September 4th through October 30th, 2024:

- Catch-up on any needed immunizations, infancy through adulthood, via the Preventive Health and Immunization Services. Wednesdays, 8:00am – 6:00pm. Other days by appointment.
- Access Personal Health Clinic services for screening and treatment of Sexually Transmitted Infections (STIs), pregnancy testing, birth control options, and more. Walk-ins seen as time allows and wait times may vary. Wednesdays, 8:00am – 6:00pm. Other days by appointment.

Amy Bishop, RN, BSN, Director of Nursing and Community Health explained, “Some individuals may need or want to catch-up on specific health services that the health department offers.” Bishop continued, “With later hours on Wednesdays and the walk-in option, our goal is to try and make services more accessible and convenient.”

Call (810) 987-5300 (Option 0) for additional information and program details. The Health Department is located at 3415 28th Street in Port Huron.
