

**MAACS PILOT PROJECT**

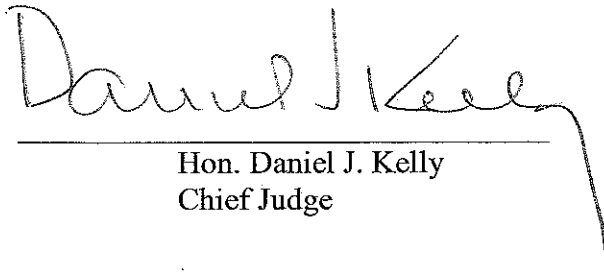

**IT IS ORDERED:**

Pursuant to Michigan Supreme Court Administrative Order 2015-9, the 31<sup>st</sup> Circuit Court will participate in a pilot project to assess the feasibility, costs, and benefits associated with certain structural reforms recommended by the Appellate Defender Commission and currently under consideration for permanent statewide implementation.

The pilot will remain in effect for 12 months, unless extended with the approval of this Court.

For the duration of the pilot project the 31<sup>st</sup> Circuit adopts the regulations specified in Michigan Supreme Court Administrative Order 2015-9, and the attorney fee and expense policy approved by the appellate defender commission for this pilot project.

Effective Date: October 1, 2015
