In addition, inclusion of the language does not constitute a waiver of the Union's right to raise Constitutional and/or other legal challenge (including contractual or administrative challenges) to the validity of: (1) appointment of an Emergency Financial Manager; (2) PA 4 of 2011 (Local Government and School District Fiscal Accountability Act); or (3) any action of an Emergency Financial Manager which acts to reject, modify, or terminate the collective bargaining agreement.

3.3: The Union's failure to exercise any function or right hereby directly or indirectly reserved to it or its exercise of such function or right in a particular way shall not be deemed a waiver of its right to exercise such function or right or preclude the Union from exercising the same in some other way not in conflict with the express provision of the Agreement.

ARTICLE 4
MANAGEMENT RIGHTS

4.1: It is recognized that management of the Court, the control of its properties, and the maintenance of order and efficiency is solely the responsibility of the Court. ARTICLE 9
GRIEVANCE PROCEDURE

STEP 1

A. Any employee having a specific grievance alleging a violation of this Agreement; a violation or deviation from a specific established Court and/or County policy or procedure; or a failure of the Court and/or County to comply with a specific policy, procedure, method or regulation of the Court and/or County shall, within fifteen (15) working days of the alleged grievance, discuss the matter with the Court Security Coordinator or designee who shall attempt to adjust the grievance with the terms of this Agreement or Court and/or County policy, procedure, method or regulation. The employee must have their Union Representative present at this Step.

B. Any employee may request the Court Security Coordinator or the designated representative of the Court Security Coordinator to call one of the designated stewards to handle a specified grievance with the Court Security Coordinator or designee. In this case, the steward will be notified without undue delay, and without further discussion of the grievance. This procedure shall not unduly delay the operations of the Court and/or County.

C. For the purpose of investigating or presenting grievances, the steward shall give prior notification to the supervisor that it is their intent to utilize work time for the investigation or presentation of a grievance. The steward will only be permitted to take time away from work for investigating or presenting a grievance when prior notice is given and approval received by the supervisor. The supervisor shall not deny any reasonable request that does not unduly disrupt or delay the effective rendering of Court services. The specific time for such investigation or presentation shall be during the final hour of the regularly scheduled work shift unless otherwise mutually agreed.

D. It is agreed that Saturday, Sunday, and holidays shall not be counted in computing time limits provided herein, except when such time limits are specified as calendar days.

STEP 2

A. Grievances shall be considered settled at Step 1 unless reduced to writing by the Local Union President or their designee on the Official Association form and signed by the aggrieved employee and delivered to the Court Security Coordinator within seven (7) working days after the meeting or adjourned meeting at Step 1. In this case, a meeting will be arranged within seven (7) working days between the designated representative of the Union, the Grievant(s), and the Court Security Coordinator or the designated representative of the Court Security Coordinator, for the purpose of attempting to settle the grievance at the departmental level.

B. The Court Security Coordinator shall provide a written decision within seven (7) working days to the Union.

STEP 3

A. Grievances shall be considered settled at Step 2 unless written notice is delivered to the Circuit Court Administrator and Human Resources Director within ten (10) working days after completion of Step 2.

B. Such notice shall contain a request by the Union that a hearing be held within ten (10)

working days of the delivery of said notice for the disposition of said grievance. At such hearing, both the Union and the Employer may request the presence of any and all parties who have been involved in the grievance up to this step.

C. At such hearing, the Employer may be represented by one (1) or more representatives, and the Union and the Grievant(s) may be represented by its designated representative(s) of the Local Union, theretofore designated as grievance representatives and such other Police Officers Association of Michigan (P.O.A.M.) representatives it wishes to have present provided full compliance is made with Article 7 - Union Representation.

D. The grievance representative(s) of the Court and County shall deliver the decision of the Employer to the Union in writing within ten (10) working days following the hearing.

E. If additional time is deemed necessary to properly investigate matters relative to the grievance at any step outlined above, such additional time may be granted only if mutually agreed upon between the Union and the Employer.

F. The grievance shall be considered settled at Step 3 unless written notice is delivered to the Human Resources Director within thirty (30) calendar days after the completion of Step 3.

STEP 4

It is mutually agreed by the parties hereto that the inclusion of compulsory arbitration as final step in the grievance procedure shall be subject to the following safeguards and conditions:

A. The Police Officers Association of Michigan (P.O.A.M) shall, within thirty (30) calendar days following the Court and County's decision at Step 3, notify the Circuit Court Administrator and Human Resources Director in writing of the Police Officers Association of Michigan's intention to pursue arbitration or the matter will be untimely.

B. The Police Officers Association of Michigan (P.O.A.M) shall within sixty (60) calendar days following notice of intent pursuant to A. above, request arbitration through the American Arbitration Association or as otherwise mutually agreed by the parties or the matter will be untimely. The above time limit may be extended by mutual agreement.

C. That the Union, on behalf of its members, and the Board of Commissioners on behalf of the supervisory personnel, including the Court Security Coordinator, shall make available during the proceedings before the arbitrator, any witnesses alleged by the opposite party to have knowledge of material facts or evidence upon the issue being submitted to the arbitrator. In the event the Court and/or County fail to produce such supervisory personnel, including the Court Security Coordinator; or in the event such supervisory personnel, including the Court Security Coordinator are produced and refuse to answer any questions which the arbitrator directs them to answer, the arbitrator may enter an award against the Court and/or, which award shall be final and binding and not subject to review by Court and/or County. In the event an employee is not produced, or is produced and refuses to answer any questions which the arbitrator directs them to answer, the arbitrator may enter an award against the Grievant and the Union; which award shall be final and binding and not subject to review by the Grievant or the Union; provided further, that the failure of such employee to appear and/or answer as herein described shall constitute good and sufficient cause for the summary discharge of such employee.

D. The parties hereto recognize the fact that under existing laws, some employees may choose not to become members of the Union. In this connection, the Union agrees to furnish the Human Resources Director with a list of its members within ten (10) working days following the execution of this contract; and further agrees to furnish a current list of members upon request. Any member of the Union, by accepting membership and the benefits of this Agreement, waives all legal rights otherwise available from the penalties of this provision and each member shall execute such waiver. With reference to new employees, such waiver shall be required prior to commencement of work. Such waiver shall be in the following form:

I, the undersigned, in consideration of the St. Clair County 31st Judicial Circuit Court and the St. Clair County Board of Commissioners providing me with the compulsory arbitration provision in the collective bargaining agreement between the St. Clair County Bailiff Association, and the St. Clair County 31st Judicial Circuit Court, do hereby acknowledge that as a condition to my continued employment with the Court and/or County that I will appear as a witness in all arbitration hearings upon request, and answer, under oath, all questions which the arbitrator directs me to answer. I further agree that my failure to appear upon request, or my failure to answer such questions as the arbitrator directs me to answer shall constitute good and sufficient cause for my summary discharge.

E. The fee and expenses of the arbitrator shall be paid by the losing party. If a split decision, the arbitrator shall determine which party is the losing party. All other expenses related to the arbitration proceedings including any expenses incurred by calling witnesses, shall be borne by the parties incurring such expenses.

F. The arbitrator shall have powers as hereby limited, after due investigation, to make a decision in cases of alleged violation, misinterpretations, or misapplication of a specific Article and Section of this Agreement.

G. The arbitrator shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.

H. The arbitrator in rendering a decision, shall give full recognition of the Management Rights provision of this Agreement as it relates to responsibilities, power, authority and rights vested with the Court and/or County, except as specifically limited by express provision of this Agreement.

I. The arbitrator's decision shall be submitted in writing and shall set forth the findings and conclusions with respect to the issue(s) submitted to arbitration, and such decision shall be final and binding on the Union, its members, the employee(s) involved and the Court and/or County.

J. If, in the judgment of the Union, a grievance affects a group or class of employees, the Union may submit such grievance in writing to the Court Security Coordinator or designee directly and the processing of such grievance shall commence at Step 2. The grievance must be presented within fifteen (15) working days of the occurrence of the facts on which the grievance is based. Be it provided, that the Union shall be required to demonstrate that the matter grieved conforms to the definition of a grievance as defined in Step 1., A., or the grievance shall be determined inappropriate.

A member shall be entitled to have a local designated representative present when discipline is administered and shall be so advised at the time that a meeting is scheduled for this purpose. This procedure shall not unduly delay or disrupt the operations of the County services, therefore, Union representation must be readily available within a reasonable amount of time. Be it provided, however, such meeting shall not prohibit or constrain the Court and/or County in the execution of a layoff as provided herein. Be it further provided that the meeting shall not be scheduled when the layoff is to employees in Federal or State funded programs or Local millage.

15.3: Employees to be laid off will have no less than fourteen (14) calendar day written notice of layoff or be provided the difference as compensation. The Union will be provided a copy of the layoff notice given to each employee.

34.2: The Defined Benefit Pension and the retiree Health Care Plan are completely separate Retirement Plan programs with separately designated methods for funding set forth in this Agreement. The assets of the separate programs may be commingled for investment purposes but shall be and are separate funds for accounting and actuarial purposes.

34.3: The St. Clair County Retirement System provides eligible full time employees (hired to a full time position before July 1, 2012) with a Defined Benefit Pension Plan. A defined benefit plan is a retirement plan that establishes an annual and monthly pension amount based on an employee's years of service and final average compensation. Terms and conditions of the Defined Benefit Plan are addressed in the Retirement Plan booklet. Employee and Employer contributions are as follows.

A. The County shall determine the level of funding necessary to assure and maintain the financial stability of the system. The employee shall contribute six percent (6%) of their eligible wage as a bi-weekly payroll deduction. The County shall contribute the remaining contribution determined necessary.

34.4: The St. Clair County Retirement System provides eligible full time employees (hired to a full time position before July 1, 2012) with the opportunity to prefund retiree health care coverage by contributing to a Health Care Trust Account. Employee participation in the Health Care Trust Account is optional. The option is exercised upon date of eligibility to participate in the retirement plan and once exercised is irrevocable. A description of the retiree health care coverage is provided in the Retirement Plan booklet. Eligibility for retiree health care coverage is as follows.

A. A full time employee subject to the original plan must have eight (8) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost as a retiree.

B. A full time employee subject to the modified plan must have twenty (20) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost to the retiree.

C. An employee that chooses not to participate in the prefunding of retiree health care or that does not meet the actual years of service contributions stipulated in the preceding subsections A and B, shall be entitled to purchase retiree health care coverage based on the following conditions.

[i] The full time employee shall have eleven (11) or more actual years of service contributions to the Retirement Plan.

[ii] The employee, as a retiree, shall be required to pay the entire premium cost determined by the County on a month-to-month basis as a deduction from his or her

monthly pension payment.

[iii] The employee with credits accrued in his or her Health Reimbursement Account (HRA) shall pay for the premium cost as a deduction from their HRA. When the HRA is depleted of credits the provisions of the preceding [ii] shall apply.

[iv] The employee with contributions in the Health Care Trust Account shall be entitled to pay the health care premium costs from his or her contributions. When contributions are depleted the retiree shall be subject to the preceding [ii].

[v] The employee upon making an application for retirement must choose to purchase or not purchase health care coverage. The employee, as a retiree, may not choose to purchase health care at a later time. In other words, the employee, as a retiree, must participate in the purchase health care coverage upon initial retirement or he or she shall be forever ineligible for health care coverage.

[vi] The employee, as a retiree, shall not be entitled to purchase health care coverage intermittently from the Retirement Plan. Failure to pay the monthly premium, whether intentionally or unintentionally disqualifies the retiree for health care coverage. In other words, the retiree shall not be entitled to discontinue and later re-enroll for health care coverage.

34.5: Contributions to the Retiree Health Care Trust Account shall be calculated on the first \$50,000 of an employee's eligible bi-weekly wages as defined in this article. Eligible full time employees hired to a full time position before July 1, 2012 shall contribute 2.5% annually to the Retiree Health Care Trust Account.

34.6: An employee shall have the option to contribute to a 457 Deferred Compensation Plan rather than contribute to the Retiree Health Care Trust Fund Account. An employee that contributes to the 457 Deferred Compensation Plan shall not be entitled to retiree health care paid by the Retirement System upon retirement. Terms and conditions of the 457 Deferred Compensation Plan follow.

A. Effective upon the earliest possible date following ratification of the agreement by the parties, an employee shall be entitled to select one of the following contribution options.

Employee Contribution	County Contribution Match for Full Time Employees Only
1.0%	0.5%
2.0%	1.0%
3.0%	1.5%
4.0%	2.0%
5.0%	2.5%

B. "ALL CONTRIBUTIONS" to the 457 Deferred Compensation Plan shall mean the contributions of the employee and the County. Contributions shall mean all contributions except as otherwise defined.

C. Upon retirement the employee may at his or her discretion use contributions to the 457 Deferred Compensation Plan to purchase retiree health care from the Retirement System provided the employee has a minimum of eleven (11) or more years of contributed service in the Retirement System.

D. An employee must elect or not elect to contribute to the 457 Deferred Compensation Plan upon full time regular employment with the County. The election once executed is irrevocable.

E. An employee shall not be entitled to contribute to the Retiree Health Care Trust Fund Account and the 457 Deferred Compensation Plan at the same time. An employee shall have the option to contribute to a 457 Deferred Compensation Plan account rather than contribute to the

Retiree Health Care Trust Fund Account. An employee that contributes to the 457 Deferred Compensation Plan shall not be entitled to retiree health care paid by the Retirement System upon retirement.

34.7: A retiring employee subject to the original retirement plan shall be entitled to a multiplier of two percent (2%) for each year of employment. The multiplier shall not exceed sixty-four percent (64%) upon attaining thirty-two actual years of service, including purchased military service time. Final average compensation shall be calculated on the best three (3) years of the last ten (10) years of eligible compensation.

34.8: A retiring employee subject to the Modified Plan shall be entitled to final average compensation multiplied by years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Annual Multiplier</u>
1 through 10	1.75% - accumulative
11 through 19	2.00% - accumulative
20 through 24	2.00% - retroactive
25 and above	2.40% - retroactive

Upon attaining the twentieth (20th) year, the multiplier shall be retroactive to the first year. The multiplier maximum accrual shall not exceed seventy percent (70%) for eligible employees hired to a full time position on and after January 1, 2008. Eligible Employees hired to a full time eligible position before January 1, 2008 shall be entitled to a multiplier maximum that shall not exceed seventy-five percent (75%). Final average compensation shall be calculated on the best three (3) years of the last ten (10) years of eligible compensation.

34.9: An employee shall be eligible upon satisfying one of the following three criteria.

- A. The employee has attained the age of 60 years and has the equivalent of eight (8) years of service contributions into the retirement system.
- B. The employee has attained the age of 55 years and has the equivalent of twenty-five (25) years of service contributions into the retirement system.
- C. The employee's combined years and months of actual service and age equal eighty (80) years, provided the employee shall also have completed twenty-five (25) years of actual service.

Years of actual service shall mean that period of time employed and contributing to the St. Clair County Employee Retirement Plan and excluding, by way of example, reciprocity through other retirement plans or purchase of military service time.

34.10: An employee shall only be entitled to withdraw his or her contributions to the Defined Benefit Plan upon separation of membership in the retirement system. Separation of membership shall mean that membership in the retirement system has been terminated for at least ten days; or the individual has been laid off for at least thirty days.

- A. A vested employee is not required to withdraw his or her contributions upon termination of employment.
- B. Contributions left in the plan are deferred until such time as the former employee is eligible to receive a pension.
- C. The employee that withdraws his or her contributions shall terminate all right to receive a pension benefit from the plan.
- D. The employee that withdraws his or her contributions shall be entitled to a rate of interest on the contributions determined by the Retirement Board which shall be consistent with the interest rate attributed to all employee accounts regardless of union affiliation.

34.11: An employee shall only be entitled to withdraw his or her contributions to the Retiree Health Care Trust Account upon separation of membership in the retirement system. Separation of membership shall mean that membership in the retirement system has been terminated for at least ten days; or the individual has been laid off for at least thirty days.

- A. A vested employee is not required to withdraw his or her contributions upon termination of employment.
- B. Contributions left in the plan are deferred until such time as when the former employee shall be entitled to a retirement pension.
- C. The employee that leaves his or her contributions in the Retiree Health Care Plan Trust Account shall only be entitled to health care coverage in conjunction with receiving a pension.
- D. The employee that withdraws his or her contributions shall terminate all right to receive retiree health care coverage from the plan at no premium cost to the retiree.
- E. The employee that leaves his or her contributions in the Retiree Health Care Trust Account but who has insufficient actual years of services to qualify for coverage shall be entitled to purchase coverage when meeting all the conditions stipulated in this article.

34.12: If an employee was a full time contributing member of the Defined Benefit Plan prior to July 1, 2012, subsequently becomes a part time ineligible member and thereafter returns to full time employment without a break in employment, such an employee will remain eligible for participation in the Defined Benefit Plan upon meeting the following conditions:

- A. The member must have left their accumulated contributions in the plan.
- B. The same elections they had previously made will continue to apply.

If an employee was a full time contributing member of the Retirement Health Care Trust Account prior to July 1, 2012, subsequently becomes a part time ineligible member and thereafter returns to full time employment without a break in employment, such an employee will remain eligible for participation in the Retirement Health Care Trust Account upon meeting the following conditions:

- A. The member must have left their accumulated contributions in the plan.
- B. The same elections they had previously made will continue to apply.

If an employee, upon becoming an ineligible member, applies for and receives a refund of their Defined Benefit Plan and/or Retirement Health Care Trust Account contributions, they shall terminate all future right to receive a benefit from either plan.

34.13: The final average compensation for retirement purposes shall be computed on the base salary only and where applicable, service recognition and shall not include compensation from;

- A. Overtime or compensatory time payoff.
- B. Sick day accrual payoff upon separation from employment for any reason.
- C. Vacation accrual payoff upon separation from employment for any reason.

34.14: The County shall notify the Union no less than thirty (30) calendar days in advance of any proposal to change retiree health care affecting a member or former member of the bargaining unit. The County agrees to meet with the Union to discuss the proposed changes. The Union may request to bargain the proposed changes to the extent that it may impact former bargaining unit members who retired during the term of the collective bargaining agreement in affect at the time of the proposed changes. The Union shall have no standing or authority to bargain changes that affect a former member who retired prior to the collective bargaining agreement in affect at the time of the proposed change.

34.15: The County shall continue to offer a deferred compensation program to all currently employed bargaining unit members, provided a program is available.

34.16: The Union and the County agree that if the provisions of the Employee Compensation Best Practices Requirements are implemented by the State, the County and the bargaining unit will meet and confer in an attempt to establish the specifics of a hybrid pension plan to meet the provisions as identified in order to continue to receive EVIP payments (formerly known as Statutory Revenue Sharing).

34.17: Full time employees hired on or after July 1, 2012 shall not be eligible for a Defined Benefit Plan; instead, these employees shall be entitled to a Defined Contribution Retirement Plan.

The Defined Contribution Plan has distinct differences from the Defined Benefit Retirement Plan: there is no guarantee of a specific benefit, only what the employee decides to withdraw upon termination from employment; the employee chooses how to direct his or her investment. The employee should fund this plan with the goal to cover both pension and retiree healthcare needs. The benefit is portable.

The employee may contribute up to the IRS maximum elective deferral (contribution) limit of total wages through payroll deduction each pay period. Wages is defined as W-2 compensation less fringe benefits, bonuses, overtime, off schedule payments and longevity, etc. Employees wishing to adjust their employee contribution election amount, may do so in accordance with the terms of the 457 Plan and applicable County policy.

The County will match the employee contribution dollar for dollar up to a maximum of 8% of total wages.

- A. The minimum employee contribution rate is one (1) percent.
- B. A full time employee shall be entitled to select one of the following contribution options to be matched by the County:

<u>Employee Contribution</u>	<u>County Contribution</u>
1.0%	1.0%
2.0%	2.0%
3.0%	3.0%
4.0%	4.0%
5.0%	5.0%
6.0%	6.0%
7.0%	7.0%
8.0%	8.0%

- C. An employee is not required to withdraw his or her contributions upon termination of employment.

Retirement age: Age 65 or the age at which Participants have the right to retire and receive, under the basic defined benefit pension plan of the employer, immediate retirement benefits without actuarial or similar reduction because of retirement before some later specified age.
