The part time nurse shall be required to work the same number of annual hours as a full time nurse to acquire a year of retirement service credit. Once qualified to participate, the part time nurse shall be required to participate thereafter regardless of the number of hours worked in a calendar year. Specific terms and conditions of retirement not herein defined are subject to the terms and conditions provided by the retirement plan custodians and shall not be subject to nor require separate Union approval.

29.2: The Defined Benefit Pension and the Retiree Health Care Plan are completely separate Retirement Plan programs with separately designated methods for funding set forth in this Agreement. The assets of the separate programs may be commingled for investment purposes but shall be and are separate funds for accounting and actuarial

purposes.

29.3: The St. Clair County Retirement System provides eligible Nurse Supervisors (hired to a full time position before 01/01/09 or part time nurses qualified to participate in the defined benefit plan before 01/01/09) with a Defined Benefit Pension Plan. A defined benefit plan is a retirement plan that establishes an annual and monthly pension amount based on a Nurse Supervisor's years of service and final average compensation. Participation in the Defined Benefit Plan is mandatory among eligible Nurse Supervisors as defined and set forth in 29.1. Terms and conditions of the Defined Benefit Plan are addressed in the Retirement Plan booklet. Nurse Supervisor and Employer contributions are as follows.

- A. The Nurse Supervisor shall contribute six percent (6%) of his or her eligible gross bi-weekly wage.
- B. The Board of Commissioners shall determine the level of funding necessary to assure and maintain the financial stability of the system and shall contribute the remaining contribution determined necessary. The County acknowledges and affirms the fiduciary responsibility to fund the retirement pension fund as determined necessary.

29.4: The St. Clair County Retirement System provides eligible Nurse Supervisors (hired to a full time position before 01/01/09 or part time nurses qualified to participate in the defined benefit plan before 01/01/09) with the opportunity to participate in the retiree health care plan by contributing to a Health Care Trust Account. Nurse Supervisor participation in the Health Care Trust Account is optional. The option is exercised upon date of eligibility to participate in the retirement plan and once exercised is irrevocable. A description of the retiree health care coverage is provided in the Retirement Plan booklet. Eligibility for retiree health care coverage is as follows.

- A. An eligible Nurse Supervisor who made the election to participate in the original plan must have eight (8) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost as a retiree.
- B. An eligible Nurse Supervisor subject to the modified plan must have twenty (20) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost as a retiree.
- C. An eligible Nurse Supervisor that chooses not to participate in the prefunding of retiree health care or that does not meet the actual years of service contributions stipulated in the preceding subsections A and B, shall be entitled to purchase retiree health care coverage based on the following conditions.
  - [i] The Nurse Supervisor shall have eleven (11) or more actual years of service contributions to the Retirement Plan.
  - [ii] The Nurse Supervisor, as a retiree, shall be required to pay the entire premium cost determined by the County on a month-to-month basis as a deduction from his or her monthly pension payment.
  - [iii] The Nurse Supervisor with contributions in the Health Care Trust Account shall be entitled to pay the health care premium costs from his or her

contributions. When contributions are depleted the retiree shall be subject to the preceding [ii].

[iv] The Nurse Supervisor, upon making an application for retirement, must choose to purchase or not purchase health care coverage. The Nurse Supervisor, as a retiree, may not choose to purchase health care at a later time. In other words, the Nurse Supervisor, as a retiree, must participate in the purchase of health care coverage upon initial retirement or he or she shall be forever ineligible for health care coverage.

[v] The Nurse Supervisor, as a retiree, shall not be entitled to purchase health care coverage intermittently from the Retirement Plan. Failure to pay the monthly premium, whether intentionally or unintentionally disqualifies the retiree for health care coverage. In other words, the retiree shall not be entitled to discontinue and later re-enroll for health care coverage.

29.5: Contributions to the Retiree Health Care Trust Account shall be calculated on a Nurse Supervisor's eligible bi-weekly wages as defined in this article. The employee shall contribute 2.5% annually to the Retiree Health Care Trust Account.

29.6: An eligible Nurse Supervisor shall have the option to contribute to a 457 Deferred Compensation Plan rather than contribute to the Retiree Health Care Trust Fund Account. A Nurse Supervisor that contributes to the 457 Deferred Compensation Plan shall not be entitled to retiree health care paid by the Retirement System upon retirement. Terms and conditions of the 457 Deferred Compensation Plan follow:

A. Effective upon the earliest possible date following ratification of the agreement by the parties, the Nurse Supervisor shall be entitled to select one of the following contribution options to be matched by the County.

Employee Contribution	County Contribution Match for Full Time Employees Only
1.0%	0.5%
2.0%	1.0%
3.0%	1.5%
4.0%	2.0%
5.0%	2.5%

B. "ALL CONTRIBUTIONS" to the 457 Deferred Compensation Plan shall mean the contributions of the Nurse Supervisor and the County. Contributions shall mean all contributions except as otherwise defined. For employees who opt out of the County's Retiree Health Care Fund and choose to contribute to the 457 Deferred Compensation Plan with County match, all contributions are fully vested once made and never subject to forfeiture.

In the event of the death of the Nurse Supervisor while employed, all contributions to the 457 Deferred Compensation Plan shall be distributed to the Participant's beneficiary in accordance with the 457 Plan agreement.

C. Upon retirement, the Nurse Supervisor may at his or her discretion use contributions to the 457 Deferred Compensation Plan to purchase retiree health care from the Retirement System provided the Nurse Supervisor has a minimum of eleven (11) or more years of contributed service in the Retirement System.

D. An eligible Nurse Supervisor must elect or not elect to contribute to the 457 Deferred Compensation Plan upon date of hire with the County. The election once executed is irrevocable.

E. A Nurse Supervisor shall not be entitled to contribute to the Retiree Health Care Trust Fund Account and the 457 Deferred Compensation Plan at the same time. 29.7: A retiring Nurse Supervisor subject to the original retirement plan shall be entitled to a multiplier of two percent (2%) for each year of employment. The multiplier shall not exceed sixty-four percent (64%) upon attaining thirty-two actual years of service, including purchased military service time. Final average compensation shall be calculated on the best three (3) years of the last ten (10) years of eligible compensation.

29.8: A retiring Nurse Supervisor subject to the Modified Plan shall be entitled to final average compensation multiplied by years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Annual Multiplier</u>

Final average compensation shall be calculated on the best three (3) years of the last ten (10) years of eligible compensation. Upon attaining the twentieth (20th) year, the multiplier shall be retroactive to the first year. The multiplier maximum shall not exceed seventy-five percent (75%).

29.9: A Nurse Supervisor shall be eligible upon satisfying one of the following three criteria.

A. The Nurse Supervisor has attained the age of 60 years and has the equivalent of eight (8) years of service contributions into the retirement system.

B. The Nurse Supervisor has attained the age of 55 years and has the equivalent of twenty-five (25) years of service contributions into the retirement system.

C. The Nurse Supervisor has a combination of age and years and months of actual service that when combined equals eighty (80) years, provided the Nurse Supervisor shall also have completed twenty-five (25) years of actual service.

Years of actual service shall mean that period of time employed and contributing to the St. Clair County Employee Retirement Plan and excluding, by way of example, reciprocity through other retirement plans or purchase of military service time.

29.10: A Nurse Supervisor shall only be entitled to withdraw his or her contributions to the Defined Benefit Plan upon separation of membership in the retirement system. Separation of membership shall mean that membership in the retirement system has been terminated

for at least ten days; or the individual has been laid off for at least thirty days.

- A. A vested Nurse Supervisor is not required to withdraw his or her contributions upon termination of employment.
- B. Contributions left in the plan are deferred until such time as the former Nurse Supervisor is eligible to receive a pension.
- C. The Nurse Supervisor that withdraws his or her contributions shall terminate all right to receive a pension benefit from the plan.
- D. The Nurse Supervisor that withdraws his or her contributions shall be entitled to a rate of interest on the contributions determined by the Retirement Board which shall be consistent with the interest rate attributed to all Nurse Supervisor accounts regardless of union affiliation.

29.11: A Nurse Supervisor shall only be entitled to withdraw his or her contributions to the Retiree Health Care Trust Account upon separation of membership in the retirement system. Separation of membership shall mean that membership in the retirement system has been terminated for at least ten days; or the individual has been laid off for at least thirty days.

- A. A vested Nurse Supervisor is not required to withdraw his or her contributions upon termination of employment.
- B. Contributions left in the plan are deferred until such time as when the former Nurse Supervisor shall be entitled to a retirement pension.
- C. The Nurse Supervisor that leaves his or her contributions in the Retiree Health Care Plan Trust Account shall only be entitled to health care coverage in conjunction with receiving a pension.
- D. The Nurse Supervisor that withdraws his or her contributions shall terminate all right to receive retiree health care coverage from the plan at no premium cost to the retiree.
- E. The Nurse Supervisor that leaves his or her contributions in the Retiree Health Care Trust Account but who has insufficient actual years of services to qualify for coverage shall be entitled to purchase coverage when meeting all the conditions stipulated in this article.

29.12: If an employee was a full time contributing member of the Defined Benefit Plan prior to 1/1/09, subsequently becomes a part time ineligible member and thereafter returns to full time employment without a break in employment, such an employee will remain eligible for participation in the Defined Benefit Plan upon meeting the following conditions:

29.14: The County shall notify the Union no less than thirty (30) calendar days in advance of any proposal to change retiree health care affecting a member or former member of the bargaining unit. The County agrees to meet with the Union to discuss the proposed changes. The Union may request to bargain the proposed changes to the extent that it may impact former bargaining unit members who retired during the term of the collective bargaining agreement in affect at the time of the proposed changes. The Union shall have no standing or authority to bargain changes that affect a former member who retired prior to the collective bargaining agreement in affect at the time of the proposed change.

29.15: All full time regular Nurse Supervisors (hired on or after January 1, 2009) and part time regular Nurse Supervisors (hired on or after January 1, 2009) working at least one thousand (1,000) hours in a calendar year, shall not be eligible for a Defined Benefit Plan; instead, the eligible Nurse Supervisors (hired on or after January 1, 2009), upon their date of hire, shall be eligible for a Defined Contribution Retirement Plan.

The Defined Contribution Plan has distinct differences from the Defined Benefit Retirement Plan: there is no guarantee of a specific benefit, only what the Nurse Supervisor decides to withdraw upon termination from employment; the Nurse Supervisor chooses how to direct his or her investment. The Nurse Supervisor should fund this plan with the goal to cover both pension and retiree healthcare needs. The benefit is portable.

The Nurse Supervisor may contribute up to the IRS maximum elective deferral (contribution) limit of total wages through payroll deduction each pay period. Wages is defined as W-2 compensation less fringe benefits, bonuses, overtime, off schedule payments and longevity, etc.
