Medicare Plus Blue Group PPO has a network of doctors, hospitals, pharmacies, and other providers. Using providers that do not accept Medicare may cost you more.

Outside Michigan, your costs are the same as in-network and out-of-network services when you use providers that accept Medicare. Using providers that do not accept Medicare may cost you more. To locate a provider in our network, use the Find a Doctor tool on our website at: **www.bcbsm.com/providersmedicare**.

Out-of-network/non-contracted providers are under no obligation to treat Medicare Plus Blue Group PPO members, except in emergency situations. Please call our customer service number or see the *Evidence of Coverage* for more information, including the cost-sharing that applies to out-of-network services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost sharing. You may pay less if you use these pharmacies. You can see our plan's pharmacy directory at our website (**www.bcbsm.com/pharmaciesmedicare**). Or, call us and we will send you a copy of a *Provider/Pharmacy Directory* or, for members outside of Michigan, a *Provider/Pharmacy Locator* (phone numbers are on the back cover of this document).
