The assets of the separate programs may be commingled for investment purposes but shall be and are separate funds for accounting and actuarial purposes.

25.3: The St. Clair County Retirement System provides eligible full time employees hired to a full time position before July 1, 2011 with a Defined Benefit Pension Plan. A defined benefit plan is a retirement plan that establishes an annual and monthly pension amount based on an employee's years of service and final average compensation. Terms and conditions of the Defined Benefit Plan are addressed in the Retirement Plan booklet. Employee and Employer contributions are as follows.

- A. The Employee shall contribute five six percent (6 5%) of his or her eligible gross bi-weekly wage.
- B. The Board of Commissioners shall determine the necessary contribution to the Defined Benefit Pension and the Retiree Health Care Plans on an annual basis.

A description of the retiree health care coverage is provided in the Retirement Plan booklet. Eligibility for retiree health care coverage is as follows.

Failure to pay the monthly premium, whether intentionally or unintentionally disqualifies the retiree for health care coverage. In other words, the retiree shall not be entitled to discontinue and later re-enroll for health care coverage.

25.5: Contributions to the Retiree Health Care Trust Account shall be calculated on the first \$50,000 of an employee's eligible bi-weekly wages as defined in this article. The employee shall contribute 2.5% annually to the Retiree Health Care Trust Account.

25.6: An employee shall have the option to contribute to a 457 Deferred Compensation Plan rather than contribute to the Retiree Health Care Trust Fund Account. An employee that contributes to the 457 Deferred Compensation Plan shall not be entitled to retiree health care paid by the Retirement System upon retirement. The employee shall be entitled to the

contribution provided by the County to the 457 Plan. Terms and conditions of the 457 Deferred Compensation Plan follow.

- A. Effective upon the earliest possible date following ratification of the agreement by the parties, an employee shall be entitled to select one of the following contribution options.

25.7: A retiring employee subject to the original retirement plan shall be entitled to a multiplier of two percent (2%) for each year of employment. The multiplier shall not exceed sixty-four percent (64%) upon attaining thirty-two actual years of service, including purchased military service time. Final average compensation shall be calculated on the best three (3) years of the last ten (10) years of eligible compensation.

Employees hired to a full time position before January 1, 2007 shall be entitled to a multiplier maximum that shall not exceed seventy-five percent (75%). Final average compensation shall be calculated on the best three (3) years of the last ten (10) years of eligible compensation.

25.9: An employee shall be eligible to retire upon satisfying one of the following three criteria.

- A. The employee has attained the age of 60 years and has the equivalent of eight (8) or more years of service contributions into the retirement system.

Years of actual service shall mean that period of time employed and contributing to the St. Clair County Employee Retirement Plan and excluding, by way of example, reciprocity through other retirement plans or purchase of military service time.

25.10: An employee shall only be entitled to withdraw his or her contributions to the Defined Benefit Plan upon separation of membership in the retirement system. Separation of membership shall mean that membership in the retirement system has been terminated for at least ten days; or the individual has been laid off for at least thirty days.

- A. A vested employee is not required to withdraw his or her contributions upon termination of employment.
- B. Contributions left in the plan are deferred until such time as the former employee is eligible to receive a pension.
- C. The employee that withdraws his or her contributions shall terminate all right to receive a pension benefit from the plan.
- D. The employee that withdraws his or her contributions shall be entitled to a rate of interest on the contributions determined by the Retirement Board which shall be consistent with the interest rate attributed to all employee accounts regardless of union affiliation.

25.11: An employee shall only be entitled to withdraw his or her contributions to the Retiree Health Care Trust Account upon separation of membership in the retirement system. - E. The employee that leaves his or her contributions in the Retiree Health Care Trust Account but who has insufficient actual years of services to qualify for coverage shall be entitled to purchase coverage when meeting all the conditions stipulated in this article.

25.12: If an employee was a full time contributing member of the Defined Benefit Plan prior to 1/1/09, subsequently becomes a part time ineligible member and thereafter returns to full time employment without a break in employment, such an employee will remain eligible for participation in the Defined Benefit Plan upon meeting the following conditions:

25.14: The County shall notify the Union no less than thirty (30) calendar days in advance of any proposal to change retiree health care affecting a member or former member of the bargaining unit. The County agrees to meet with the Union to discuss the proposed changes. The Union may request to bargain the proposed changes to the extent that it may impact

former bargaining unit members who retired during the term of the collective bargaining agreement in affect at the time of the proposed changes. The Union shall have no standing or authority to bargain changes that affect a former member who retired prior to the collective bargaining agreement in affect at the time of the proposed change.

25.15: The County shall continue to offer a deferred compensation program to all currently employed bargaining unit members, provided a program is available.

25.16: Full time employees hired on or after July 1, 2011 shall not be eligible for a Defined Benefit Plan; instead, these employees shall be entitled to a Defined Contribution Retirement Plan.

The Defined Contribution Plan has distinct differences from the Defined Benefit Retirement Plan: there is no guarantee of a specific benefit, only what the employee decides to withdraw upon termination from employment; the employee chooses how to direct his or her investment. The employee should fund this plan with the goal to cover both pension and retiree healthcare needs. The benefit is portable.

The employee may contribute up to the IRS maximum elective deferral (contribution) limit of total wages through payroll deduction each pay period.
