Within the six (6) week schedule each Corrections Officer must use a twelve (12) hour float day, which averages out to a forty (40) hour week over the six (6) week period. If the Corrections Deputy has a vacation scheduled during the six (6) week period, one of the vacation days will be converted to a float day, unless a float day has already been scheduled along with the vacation. If there are not any vacation days scheduled during the six (6) week period, the employee must schedule a float day or the department reserves the right to assign the float day.

The department shall endeavor to provide a minimum of twenty-four (24) hours notice when scheduling the float time in advance. However, in the event that there is less than twenty-four (24) hours available advance notice, the department will first seek volunteers before assigning the float time.

Corrections Deputies selecting a full time prisoner transfer position as their job assignment may be scheduled Monday through Friday eight (8) hour a day or the twelve (12) hour a day schedule at the discretion of the Sheriff. Any change in the existing schedule shall be done only after mutual consent of both parties. 20.2: The Employer shall determine the need for and schedule all overtime. Overtime hours shall be divided as equally as possible among full time employees in the same classification. If no one in the classification is available, it may be offered to the next low-houred, qualified employees in other classifications.

20.3: Whenever overtime is required, the person with the least number of overtime hours worked or refused in that classification will be called to volunteer first and so on down the list in an attempt to equalize the overtime hours. If the employee was unavailable or did not choose to work, they will be charged the number of overtime hours offered as refused. Overtime hours will be computed from January 1 through December 31 each year. The volunteer overtime list will be recalculated on the last Saturday of every pay period. Scheduled volunteer overtime assignments for the following Monday and Tuesday shall be made prior to this recalculation. Court time and/or training time shall not be recorded as overtime hours in attempting to equalize overtime hours.

Any Corrections Deputy hired to full-time status after January 1st of each year, shall have his/her overtime worked/refused total pro-rated by using the total number of worked/refused hours of all full time corrections deputies and dividing that by the total number of Corrections Deputies to obtain an average. This average will then be applied to the new full-time hire on his/her full-time start date. This formula shall also apply to the time frame that any Corrections Deputy is off work on a suspension or off work on medical leave of more than 21 days.

20.4: The Employer shall have the right to compel overtime among employees with the least classification seniority qualified for required work within a classification upon meeting the qualifications established in 20.2: of this Article. No Corrections Deputy shall be compelled to work more than one shift (provided the shift is a minimum of four (4) hours long) or more than twelve (12) overtime hours in a two (2) month period unless the Department does not have a reasonable alternative as determined by the Department to fill the shift to meet its operational needs. Be it provided the Sheriff will make a reasonable effort based upon the circumstances to compel an equal number of occurrences in a two (2) month period excluding the right to compel overtime as described in 20.10 of this Article. When computing the overtime call-in roster for the compel period, hours worked as volunteered overtime shall be considered the equivalent of being compelled.

20.5: In the event of compelled overtime the following procedure shall be followed:

- A. Off duty full time employees shall be called first, based upon their departmental seniority and then their hours actually worked in order to equalize hours. A refusal or unavailability shall be subject to 20.3.
- B. If Step 20.5: A does not result in sufficient staffing the hours shall be offered to the employee with the fewest overtime hours on the shift preceding the shift with the available hours.
- C. If Step 20.5:B. does not result in sufficient staffing the hours shall be offered to the employee with the fewest overtime hours on the shift following the shift with the available hours.
- D. If Step 20.5:C does not result in sufficient staffing the least senior employee from the shift preceding the shift with the available hours shall be compelled to work the overtime consistent with 20.2 and 20.3.
- E. In the event employees volunteer to split the hours of a shift, the commanding officer shall have sole authority to approve or disapprove of the split. Employees requesting a split shift shall ensure that all preceding criteria have been met and will include that information when requesting a split to the commanding officer.

The compelled overtime list will be recalculated every two (2) months. Court time and/or training time shall not be recorded as overtime hours in attempting to equalize overtime hours.

20.6: Overtime shifts that need to be filled more than three (3) hours before the start of the next shift shall be filled using the volunteer procedure described in 20.3 of this Article. Overtime shifts that need to be filled less than three (3) hours before the start of the next shift will be filled on a first come, first served basis.

20.7: In the event that overtime is available for hospital duty and the hours are not filled from a volunteer list, the hours may be offered to a Transport Deputy with the available hours, a Corrections Supervisor or a Road Patrol Deputy in order to avoid compelling a Corrections Deputy, at the discretion of the Sheriff.

20.8: A message left on an employee's answering machine shall constitute an attempt to provide overtime and will be considered a refusal if left unanswered or the call is not returned within 1 hour by the employee.

20.9: Employees called in to work shall be guaranteed a minimum three (3) hours pay at one and one-half (1 ½), including Court time.

20.10: The Employer shall have the right to hold over or call in early employees in emergency situations. Such holdover or call-in early shall be as nearly evenly divided into the shift as circumstances permit.

such Court appearance is related to departmental business, shall be eligible for one and one-half (1 ½) times the prevailing hourly rate of the employee. The employee issued a subpoena is required to contact the Court designated on the subpoena in the manner prescribed by the Sheriff and/or Court relative to the date and time of their Court appearance. An employee may elect to receive overtime or subpoena or deposition fee(s) but only one and not all. The employee shall not be eligible to receive overtime pay if their Court appearance date and/or time is canceled and forty-eight (48) hours advance notice is available to the employee and they fail to contact the Court by the prescribed method. The employee required to make a Court appearance in St. Clair County on a scheduled day off shall report to the duty officer in person prior to and after the Court appearance unless instructed to do otherwise by the Employer.

20.12: The Sheriff shall have the right to schedule part time employees twenty-four (24) hours in advance.

20.13: Part time employees are entitled to overtime pay when either of the conditions described in 20.1 are satisfied.

20.14: The Sheriff may offer overtime to part time employees in order to avoid compelling overtime to full time employees. The sheriff may compel the part time employee to work in order to avoid compelling a full time employee.

20.15: The Sheriff shall first offer overtime work to full time employees before offering the work to a part time employee, unless extenuating circumstances exist.

20.16: The Sheriff shall determine whether to compensate hours worked outside their normal scheduled hours of work with overtime pay or compensatory time. Employees eligible for compensatory time, shall accrue compensatory time in accordance with the following:

- A. Compensatory time shall not accrue beyond twenty-four (24) hours or it shall be paid.
- B. Compensatory time shall not be taken as time off when it creates an overtime situation to the department.
- C. Compensatory time shall be taken off by mutual consent of the employee and the supervisor.
- D. Part time employees are not eligible to earn compensatory time.

21.4: Employees who are in some branch of the armed forces, reserves, or National Guard will be paid the difference between their reserve pay and their regular pay with the Employer when they are on full time active duty in the reserve or National Guard, provided proof of service and pay is submitted. The employee shall be entitled to leave for a maximum of two weeks per year or as may be otherwise provided by law. The Sheriff shall endeavor to reschedule an employee's working days to accommodate reserve training that does not exceed two (2) days a month.

21.5: All leaves based upon illness (physical or mental) shall be supported by a statement from the attending physician or psychologist when requested by the Employer. In all cases of illnesses extending beyond seven (7) days, a statement by the attending physician shall be furnished at reasonable intervals as determined by the Employer, evidencing the inability of the employee to return to their duties.

21.6: The Employer may require the employee on leave to submit to an examination by a physician or psychologist chosen by the Employer, provided the charges by the physician are paid by the Employer.

21.8: The requirements of Sections 21.4 and 21.5 may be waived by the Employer, but such waiver shall not form the basis for submitting a grievance when such waiver is not granted, unless it can be shown that such waiver was unreasonably withheld.

Accumulated sick leave shall not be considered in the computation of leave on account of such duty incurred injuries during the first six (6) months. or treatment, the Employer shall have the right to require that the employee see a physician of the Employer's selection to determine if such a trip is medically detrimental. This provision shall not subject the employee to discipline provided the employee is not determined medically fit to return to work by the physician.

RETIREMENT

26.1: All full time regular employees shall, upon their date of full time hire, participate in the St. Clair County Employees Retirement Plan. Specific terms and conditions of retirement not herein defined are subject to the terms and conditions provided by the retirement plan custodians and shall not be subject to nor require separate Union approval.

26.2: The County shall determine the level of funding necessary to assure and maintain the financial stability of the system. The employee shall contribute six percent (6%) of their total wages as a bi-weekly payroll deduction. The County shall contribute the remaining contribution determined necessary.

26.3: The Defined Benefit Pension and the Retiree Health Care Plan are completely separate Retirement Plan programs with separately designated methods for funding set forth in this Agreement. The assets of the separate programs may be commingled for investment purposes but shall be and are separate funds for accounting and actuarial purposes.

26.4: The St. Clair County Retirement System provides eligible full time employees (hired to a full time position before October 21, 2009) with a Defined Benefit Pension Plan. A defined benefit plan is a retirement plan that establishes an annual and monthly pension amount based on an employee's years of service and final average compensation. Participation in the Defined Benefit Plan is mandatory among eligible employees as defined and set forth in 26.1. Terms and conditions of the Defined Benefit Plan are addressed in the Retirement Plan booklet.

26.5: The St. Clair County Retirement System provides eligible full time employees (hired to a full time position before October 21, 2009) with the opportunity to participate in the retiree health care plan by contributing to a Health Care Trust Account. Employee participation in the Health Care Trust Account is optional. The option is exercised upon date of eligibility to participate in the retirement plan and once exercised is irrevocable. A description of the retiree health care coverage is provided in the Retirement Plan booklet. Eligibility for retiree health care coverage is as follows.

A. A full time employee who made the election to participate in the original plan must have eight (8) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost as a retiree.

B. A full time employee subject to the modified plan must have twenty (20) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost as a retiree.

C. An employee that chooses not to participate in the prefunding of retiree health care or that does not meet the actual years of service contributions stipulated in the preceding subsections A and B, shall be entitled to purchase retiree health care coverage based on the following conditions.

[i] The full time employee shall have eleven (11) or more actual years of service contributions to the Retirement Plan.

[ii] The employee, as a retiree, shall be required to pay the entire premium cost determined by the County on a month-to-month basis as a deduction from his or her monthly pension payment.

[iii] The employee with contributions in the Health Care Trust Account shall be entitled to pay the health care premium costs from his or her contributions. When contributions are depleted the retiree shall be subject to the preceding [ii].

[iv] The employee, upon making an application for retirement, must choose to purchase or not purchase health care coverage. The employee, as a retiree, may not choose to purchase health care at a later time. In other words, the employee, as a retiree, must

participate in the purchase of health care coverage upon initial retirement or he or she shall be forever ineligible for health care coverage.

[v] The employee, as a retiree, shall not be entitled to purchase health care coverage intermittently from the Retirement Plan. Failure to pay the monthly premium, whether intentionally or unintentionally disqualifies the retiree for health care coverage. In other words, the retiree shall not be entitled to discontinue and later re-enroll for health care coverage.

26.6: Contributions to the Retiree Health Care Trust account shall be calculated on the first \$50,000 of an employee's eligible bi-weekly wages as defined in this article. The employee shall contribute 2.5% annually to the Retiree Health Care Trust account.

26.7: An eligible full time employee hired before October 21, 2009 shall have the option to contribute to a 457 Deferred Compensation Plan rather than contribute to the Retiree Health Care Trust Fund Account. An employee that contributes to the 457 Deferred Compensation Plan shall not be entitled to retiree health care paid by the Retirement System upon retirement. Terms and conditions of the 457 Deferred Compensation Plan follow:

A. Effective upon the earliest possible date following ratification of the agreement by the parties, the employee shall be entitled to select one of the following contribution options.

Employee Contribution	County Contribution Match for Full Time Employees Only
1.0%	0.5%
2.0%	1.0%
3.0%	1.5%
4.0%	2.0%
5.0%	2.5%

B. "ALL CONTRIBUTIONS" to the 457 Deferred Compensation Plan shall mean the contributions of the employee and the County. Contributions shall mean all contributions except as otherwise defined.

C. Upon retirement the employee may at his or her discretion use contributions to the 457 Deferred Compensation Plan to purchase retiree health care from the Retirement System provided the employee has a minimum of eleven (11) or more years of contributed service in the Retirement System.

D. An employee must elect or not elect to contribute to the 457 Deferred Compensation Plan upon full time regular employment with the County. The election once executed is irrevocable. Employees wishing to adjust their employee contribution election amount, may do so in accordance with the terms of the 457 Plan and applicable County policy.

E. An employee shall not be entitled to contribute to the Retiree Health Care Trust Fund Account and the 457 Deferred Compensation Plan with County match at the same time. An employee shall have the option to contribute to a 457 Deferred Compensation Plan account with County match rather than contribute to the Retiree Health Care Trust Fund Account. An employee that contributes to the 457 Deferred Compensation Plan with County match shall not be entitled to retiree health care paid by the Retirement System upon retirement.

F. Employees shall have the right to make additional non-matching contributions to a 457 Deferred Compensation Plan, subject to the IRS limits, pursuant to the terms of the plan. For example, employees who remain in the Defined Benefit Plan and the Retiree Healthcare Trust Fund

Account will still be able to contribute to a 457 Deferred Compensation plan from their wages. No match will apply to these contributions.

26.8: A retiring employee subject to the original retirement plan shall be entitled to a multiplier of two percent (2%) for each year of employment. The multiplier shall not exceed sixty-four percent (64%) upon attaining thirty-two actual years of service, including purchased military service time. If the Employer is unable to grant vacation for whatever reason the eighty (80) hours limitation shall not apply. However, the employee shall make a request for a vacation which will

both limit the number of hours forwarded to eighty (80) hours and shall not conflict with a more senior employee's vacation request. Failure to make such a request shall result in the forfeiture of hours in excess of eighty (80) hours. An employee regularly scheduled to work twelve (12) hour shifts shall be entitled to one hundred and twenty (120) hours in each instance provided as eighty (80) in this paragraph.

34.6: Vacation selection among full time employees shall be made before the start of each year on the basis of classification seniority. Each member may only have the book for an additional 48 hours maximum. Members may take any number of vacation days in their selection as long as the total vacation period does not exceed twenty-eight (28) consecutive days.

Pre-approved vacations may be rescheduled and/or cancelled by the employee with at least fourteen (14) days advance notice of the scheduled time period as long as it does not result in a violation of the preceding 34.4 carry forward limitation. New requests for available vacation time will be subject to 34.8.

34.7: Vacation selection among the Service Bureau Agents and Facility Information Clerks shall be made before the start of each year on the basis of classification seniority. The member with the most classification seniority will be allowed to choose first and may take any number of vacation days in their selection as long as the total vacation period does not exceed twenty-eight (28) consecutive days. Each member will be allowed to have the vacation selection book for no more than 48 hours, then the next most senior, etc. Once the vacation selection book has been available to all members, it will go back to the most senior member with each successive member then being allowed to choose their remaining vacation picks. Each member may only have the book for an additional 48 hours maximum.

34.8: The Employer shall allow vacation to fifteen percent (15%) of the active full time employees in a platoon and including Transport Deputies. Active employees shall mean physically able to perform normal duties. In no case shall fifteen percent (15%) be less than one (1) employee. Fractions of numbers will be rounded up at the nearest whole number.

34.9: Requests for vacation time not selected before the start of each year on a classification seniority basis shall be granted to members on a "first come, first serve" basis, subject to the preceding 34.7 fifteen percent (15%) rule. An employee who has an immediate need due to an unforeseen circumstance may request vacation time. The employee shall attempt to request vacation time in advance or as circumstances allow. The Employer shall make every reasonable effort to grant the request.

The employee shall forfeit eight (8) hours of vacation payoff for each eight (8) hours short of providing two (2) weeks notice of a voluntary quit.
