In such event, the employee will be required to furnish the Employer with a sworn statement of earnings, during said period, and such earnings shall act as an offset in such claim for back wages. No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at their regular rate with the Employer.

ARTICLE 26
RETIREMENT

26.1: All full time regular employees shall, upon their date of full time hire, participate in the St. Clair County Employees Retirement Plan. Specific terms and conditions of retirement not herein defined are subject to the terms and conditions provided by the retirement plan custodians and shall not be subject to nor require separate Union approval.

The assets of the separate programs may be commingled for investment purposes but shall be and are separate funds for accounting and actuarial purposes.

26.3: The St. Clair County Retirement System provides eligible full time employees (hired to a full time position before 01/01/09) with a Defined Benefit Pension Plan. A defined benefit plan is a retirement plan that establishes an annual and monthly pension amount based on an employee's years of service and final average compensation. Participation in the Defined Benefit Plan is mandatory among eligible employees as defined and set forth in

Terms and conditions of the Defined Benefit Plan are addressed in the Retirement Plan booklet. Employee and Employer contributions are as follows.

- A. The employee shall contribute six percent (6%) of his or her eligible gross bi-weekly wage.
- B. The County shall determine the level of funding necessary to maintain the financial stability of the system. The County shall contribute the remaining contribution determined necessary.

26.4: The St. Clair County Retirement System provides eligible full time employees (hired to a full time position before 01/01/09) with the opportunity to participate in the retiree health care plan by contributing to a Health Care Trust Account. Employee participation in the Health Care Trust Account is optional. The option is exercised upon date of eligibility to participate in the retirement plan and once exercised is irrevocable. A description of the retiree health care coverage is provided in the Retirement Plan booklet. Eligibility for retiree health care coverage is as follows.

- A. A full time employee (hired to a full time position before 01/01/09) who made the election to participate in the original plan must have eight (8) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost as a retiree.
- B. A full time employee (hired to a full time position before 01/01/09) subject to the modified plan must have twenty (20) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost as a retiree.
- C. An employee that chooses not to participate in the prefunding of retiree health care or that does not meet the actual years of service contributions stipulated in the preceding subsections A and B, shall be entitled to purchase retiree health care coverage based on the following conditions.
 - [i] The full time employee shall have eleven (11) or more actual years of service contributions to the Retirement Plan.
 - [ii] The employee, as a retiree, shall be required to pay the entire premium cost determined by the County on a month-to-month basis as a deduction from his or her monthly pension payment.
 - [iii] The employee with contributions in the Health Care Trust Account shall be entitled to pay the health care premium costs from his or her contributions. When contributions are depleted the retiree shall be subject to the preceding [ii].
 - [iv] The employee, upon making an application for retirement, must choose to purchase or not purchase health care coverage. The employee, as a retiree, may not choose to purchase health care at a later time. In other words, the employee, as a retiree, must participate in the purchase of health care coverage upon initial retirement or he or she shall be forever ineligible for health care coverage.

[v] The employee, as a retiree, shall not be entitled to purchase health care coverage intermittently from the Retirement Plan. Failure to pay the monthly premium, whether intentionally or unintentionally disqualifies the retiree for health care coverage. In other words, the retiree shall not be entitled to discontinue and later re-enroll for health care coverage.

26.5: Contributions to the Retiree Health Care Trust Account shall be calculated annually on the first \$50,000 of an employee's eligible bi-weekly wages as defined in this article. The employee shall contribute 2.5% annually to the Retiree Health Care Trust Account.

A. Effective upon the earliest possible date following ratification of the agreement by the parties, the employee shall be entitled to select one of the following contribution options.

C. Upon retirement the employee may at his or her discretion use contributions to the 457 Deferred Compensation Plan to purchase retiree health care from the Retirement System provided the employee has a minimum of eleven (11) or more years of contributed service in the Retirement System.

D. An employee must elect or not elect to contribute to the 457 Deferred Compensation Plan upon full time regular employment with the County. The election once executed is irrevocable.

E. An employee shall not be entitled to contribute to the Retiree Health Care Trust Fund Account and the 457 Deferred Compensation Plan with County match at the same time. An employee shall have the option to contribute to a 457 Deferred Compensation Plan account with County match rather than contribute to the Retiree Health Care Trust Fund Account. An employee that contributes to the 457 Deferred Compensation Plan with County match shall not be entitled to retiree health care paid by the Retirement System upon retirement.

F. Employees shall have the right to make additional non-matching contributions

to a 457 Deferred Compensation Plan, subject to the IRS limits, pursuant to the terms of the plan. For example, employees who remain in the Defined Benefit Plan and the Retiree Healthcare Trust Fund Account will still be able to contribute to a 457 Deferred Compensation plan from their wages. No match will apply to these contributions.

26.7: A retiring employee subject to the original retirement plan shall be entitled to a multiplier of two percent (2%) for each year of employment. The multiplier shall not exceed sixty-four percent (64%) upon attaining thirty-two actual years of service, including purchased military service time. 26.13: The following exceptions to the Retirement Ordinance provisions of Section 8.1 and 8.2 shall apply if the Board of Trustees finds that the member's disability is the direct and proximate result of the member's performance of duty as an employee of the county, and if the member is in receipt of worker's compensation on account of the disability arising out of and in the course of county employment:

- (a) The requirement of ten years of credited service shall be waived.

26.17: Full time employees hired on or after January 1, 2009 shall not be eligible for a Defined Benefit Plan; instead, these employees shall be entitled to a Defined Contribution Retirement Plan.

The Defined Contribution Plan has distinct differences from the Defined Benefit Retirement Plan: there is no guarantee of a specific benefit, only what the employee decides to withdraw upon termination from employment; the employee chooses how to direct his or her investment. The employee should fund this plan with the goal to cover both pension and retiree healthcare needs. The benefit is portable.
