MEDIA RELEASE

On June 27, 2023 at 8:45am, a multivehicle accident occurred on westbound I-94 at Church Rd. 67-year-old Stephen Chapman of Shelby Township was driving a 2018 Dodge Ram 3500, did not stop in time and rear ended a 2010 GMC Acadia, subsequently causing a 5 car pile-up. Champan did not survive the accident and was pronounced deceased at the scene. The Acadia was driven by a 33-year-old female of Port Huron, along with a 9-year-old, 10-year-old, and 15-year-old. All were transported to the McLaren Macomb with serious injuries. The 10-year-old that was in the vehicle was later transported to Detroit Children's Hospital in critical condition. The third driver, a 29-year-old male of Port Huron, driving a 2008 Honda Civic, was also transported to the hospital, McLaren Port Huron with serious injuries. The two other vehicles impacted were a 2023 Ford F-150 and a 2010 Dodge Ram 3500. Both drivers were not transported for injuries.

Thank you to the many good Samaritans that stopped to assist and give aid to the injured. It is not believed that drugs or alcohol were a factor in the crash.
