INFORMATION

The St. Clair County Sheriff's Office is investigating a traffic crash involving a 2015 Chevrolet Equinox and bicyclist. St. Clair County Central Dispatch received multiple calls stating a subject on a bike was hit by a car. Multiple agencies responded to the scene and the bicyclist, a 50 year old Casco Twp. man, was transported to a McLaren Macomb Hospital with serious injuries. The driver of the car, a 43 year old Casco Twp. woman, was not injured.

The preliminary investigation and witness statements indicate both the vehicle and bicycle were north bound with the bicycle in the southbound lane when the bicyclist crossed over into the northbound lane colliding with the vehicle.

The accident remains under investigation and names are not being released at this time pending notification of family.
